NO BANNERS OR FLAGS AT DEEPDALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the grounds, at either first or second team games.

It was found that banners and the like constituted a source of irritation and danger to many supporters.

To obviate friction of this kind young supporters are asked not to bring banners or flags to games at Deepdale.

CLUB NOTES

FIVE POINTS IN QUICK RECOVERY

NORTH END happily are able to present a brighter picture than after the first match with its unpalatable home defeat. Five points were gained from the next three engagements, two of them away from home. Events proved it was more prudent to rely on experience than resort to the panic measures advocated by so many disappointed supporters following Blackpool's 2—0 win at Deepdale.

The management and players were not less upset than the fans, but it is no use lamenting a defeat. The only sensible and practical course is to take steps to do better in the next match without necessarily turning the team upside down, and at least strive to avoid a repetition of a bad result.

That is what was done, and it must be said that the return of Alan Spavin on recovery from injury contributed to a welcome improvement. His generalship and skilful passing made a telling difference. Certainly his display against Norwich City on Monday night was generally acknowledged to be outstanding among the many fine performances to his credit as mainspring of the attack.

We have no desire, however, to cast any reflections on others by singling out one player when there was so obviously a wholehearted team spirit in the home match following an excellent win at Norwich and a hard-earned goalless draw at Charlton, and would wish that certain supporters, for their part, would remember that football is a team game and show a similar approach.

UNSPORTING

A minority singled out Nobby Lawton for a different reason. Many times his enthusiasm and hard work have been applauded, but on this occasion was out of touch. He did not need booing to remind him he was off form. Booing never does any good for the reasons that it rankles and is resented. Give your players encouragement instead and you might be surprised by the beneficial effect.

The forwards were off-target or careless with their finishing but they did work with a will in frequently putting hard pressure on Norwich. There was no lack of scoring opportunities or attempts, and some credit is surely due for so often being in a position to have a go.

The goalkeeping on both sides was first-class in Monday's match, Alan Kelly's anticipation especially being as intuitive as his judgement and handling were were sound; otherwise, is spite of forward lapses at each end, there must have been several goals instead of Brian Greenhalgh's solitary decider.

COMPACT DEFENCE

Our defence once again showed a good working understanding, John Ritchie and Jimmy Smith having settled down quickly to their respective goals. There has been some general tightening up as a result. Opponents have yet to work and score a clear cut goal against North End.

Crystal Palace, our opponents to-day, have proved themselves a strong challenging side, although they lost at Cardiff 2—4 this week after victories by 3—0 at Rotherham and 1—0 at home to Derby County.

Congratulations to North End Reserves on their splendid start of four successive wins and the attractive attacking football which produced 14 goals in the first three games. They deserve to be rewarded with a good crowd at Monday night's match with Leeds Reserves.

OUR VISITORS—*Crystal Palace*

COMPARATIVE newcomers to Deepdale, Palace are welcomed as an ambitious team which includes many capable players. Their first visit was in 1964-65 season. Palace were formed 1905 and for 10 years used the old Crystal Palace Exhibition Ground, for so long associated with the Cup Final. In 1915, due to the war, a move was made to Herne Hill and after four years Palace went to the "Nest" at Selhurst. After some years in the Southern League Palace in 1920 were among founder members of the Third Division and won the title and promotion at the first attempt. In 1924 a final move was made to the present ground at Selhurst Park but the first season there was the last for many years in the Second Division.

Relegated after four seasons Palace three times nearly regained Second Division status but after the war the Club had to seek re-election three times and in 1958 became founder members of the Fourth Division.

So began the long climb back. Three years later in 1961 came promotion and in 1964 Division Two membership was at last regained, so bridging a gap of over 40 years. It is an interesting coincidence that Palace were relegated with Coventry in the 1920's and promoted with them so many years later.

Season 1964-65 brought not only Second Division football to Palace, but their best ever Cup-run. They reached the last eight by beating Bury, Southampton and Nottingham Forest. The Selhurst attendance record was twice broken and now stands at 45,384.

OUR VISITORS—*continued from page 9*

In 1966-67, after finishing seventh and 11th in the previous two seasons, Palace made a sustained effort for promotion and spent £45,000 for the re-capture of former Palace favourite Johnny Byrne from West Ham. Lapses before Christmas and Easter put paid to promotion hopes, but the respectable position of 7th was achieved.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

WARNING TO YOUNG SUPPORTERS

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators have come on to the pitch during matches. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
